**Wade & Tim Probe have been  
in the commercial and residential  
development industry for over 40 years.**

**Acquired Canmore Renaissance in 2025  
under a new management team committed  
to transparency and delivery.**

Over that time, the company has grown to own and manage over 600 rental suites across the province, and is now valued between \$80 and \$100 million dollars. After having built or reneved over \$150 million in buildings, we're considered to be experts in distressed property sales - exactly what this project needs. Chateau Estate is a perfect example of a successfully completed project takeover very similar to Canmore Renaissance.
